

Welcome Address

Dear Guests and colleges,

On behalf of the Alex spine group, I would like to invite you to the 7th annual spinal conference in Alexandria. Alexandria spine group is gearing up for the future with its sights set on becoming gradually an international figure with expanding scientific activities and research to the field of spine. The conference will cover all recent advances and points of debate in the field of Spinal injuries. Eminent figures from Europe and Egypt will demonstrate their experience and outcomes of different treatment modalities. We hope that all sharing doctors will enjoy their time and increase their knowledge and experience.
